

# Friede & Goldman

NAVAL ARCHITECTS AND MARINE ENGINEERS

## News Release

Friede & Goldman has entered into a contract with Dalian Shipbuilding Industry Corporation, DSIC, (China) on August 15, 2005 for the licensing of 4 F&G designed JU-2000E jack-up drilling rigs.

DSIC also signed 4 agreements for F&G to provide their patented Rack Chock leg fixation system for each of the newbuild jack-up drilling units.

One JU-2000E is currently under construction for China Oilfield Services Ltd., COSL, and the additional three are being built for Noble Corporation.

Please click the links below to be directed to the COSL website and Rigzone for more information.
